NWEA Testing begins this week. Remember the NWEA incentives when taking the test.

If you give your best effort and/or meet or exceed your projected growth from Fall to Spring you have a chance to win a pop/chip voucher.

The class that has the highest percentage of students who met or exceeded their projected growth from Fall to Spring has a chance to win a Pizza or Donut party. In the Winter the 8th grade class won a lot of pizza and donuts.

Don't forget the house points you can earn. If you meet/exceed your projected growth from fall to winter in your test (Reading, Math, Language Usage) you can earn 5 points for each test for a grand total of 15 points.

Be sure to look at your email on Wednesday for a list of NWEA incentives. Good Luck and do your best. This is our last round of testing for the year - FINISH STRONG
